Harvest

Harvest time has always been a time of happy, traditional celebrations in our schools...unfortunately, this year we are unable to host our usual Harvest gathering, but we would still like to make a donation to some of the local charities who we usually support.

We would like to ask our families to donate a packet or tin of food that we can donate to the Daylight Centre. Please do not send any fresh food, but items like tinned beans, pasta, biscuits, tinned soup or vegetables would be fantastic. We will leave a box by each of the entrance gates on Monday and Tuesday mornings for any donations to be placed in. We know that the charities will be extremely grateful for any items that you can spare.

Meet our Freeman's Head Boy and Head Girl!

Hi I'm Sam. I am really proud to be able to say that I am Head Boy at Freeman's. I love this school and my favourite subjects are Maths and PE. I am looking forward to promoting our school values and organising events. I would also like to make PE even better and have a few ideas about how to do this.

Hello, my name is Summer. I am really excited that I have been chosen to be Head Girl. I really like this school - my favourite subjects are PE, Maths and Art. I am a very helpful person and I am looking forward to helping the children around the school in my role as Head Girl.

This Week's Great Work!

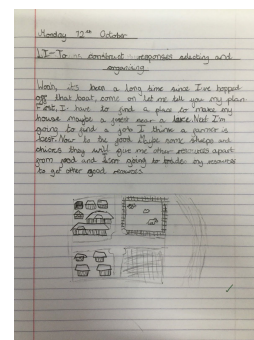

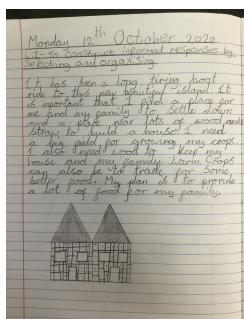

Year 3

In Geography this week, Year 3 have been learning about what a city is. The children learnt about what a capital city is and how to identify these on maps. They then located different cities within the UK. Here is a fantastic example by Bella.

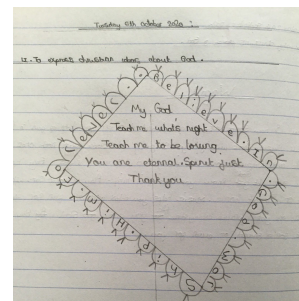

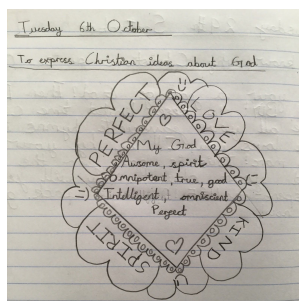

Year 4

Year 4's History focus this week has been on Anglo Saxon settlements. The children researched the needs of these settlers and drew conclusions as to where their settlements should be. Their writing was amazing, as were their illustrations of a typical village.

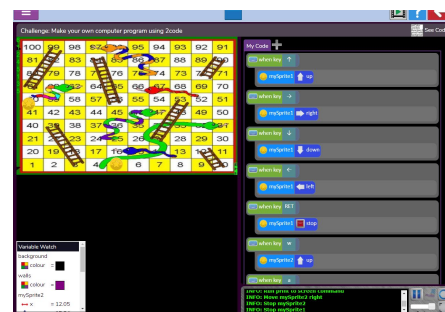

Year 5

In RE this week, the children wrote diamante poems expressing what Christians believe about the qualities and character of God. They showed their understanding of complex vocabulary such as 'omniscient' then presented their poems with great care. These lovely examples are by Ayla and Madison.

Year 6

In computing this week, the children have been developing their knowledge and understanding of coding by creating their own game using code. Here is an outstanding example from Rochan and Lucas, who have created their own 'snakes and ladders' themed game using coding.

Information for Parents

Wellbeing Team

Please remember at pick up and drop off times to use the zebra crossing. For road safety guidance please teach the children to walk across the crossing and look both ways when they do. If your child is riding a bike to school please remember the importance of helmets-especially if they are travelling on the road.

R&D After School Multi Sports Club

There are still a few places left on the Multi Sport club for Years 4, 5 and 6. If you would like to book a place for your child please do so by visiting www.randd-coaching.co.uk/booking or contact Steve on 07739320007.

Parent - Teacher Consultation via Telephone

If you haven't already done so, and would like a 10 minute consultation with your child's class teacher, please email admin@freemansendowed.org with your preferred day, time and telephone number. There are not many slots left but we will do our best to accommodate.

Macmillan Mufti Day

A huge thank you to our parents and children that donated towards this worthy charity. A total of **£230** was raised. A special thanks goes to Finley L (Zephaniah Class) who donated £10 of his pocket money.
