## Remembrance Day - Thursday 11th November

Next Thursday, 11th November, is Remembrance Day.

It is important that children understand what the day is about and why we commemorate it. Taking part in Remembrance Day activities gives everyone the opportunity to say thank you to those who protect us and keep us safe.

We would like to ask our children to create a poppy themed item to add to our whole school display; children could write a poem, make a poppy, create a wreath, etc - it would be fantastic to see as many children as possible create something for our display to commemorate Remembrance Day.

Please send any items into school by Wednesday 10th November.

## Poppy Appeal

We will be selling poppies and poppy themed items in school every day next week to show our support for those who have been involved in different conflicts around the world. Items range in price from 50p to £1.50. If your child would like to purchase an item, the School Council will be selling the poppies at playtimes and lunchtimes. All proceeds from the sale of the poppies will go to The Royal British Legion Poppy Appeal.

# Great work by Year 3!

This week we have completed our English unit on letter writing. We have been really impressed with the children's use of different conjunctions and their sentence structure. The children have learnt about the layout of a letter and have begun to look at using paragraphs to organise their writing. Here is a wonderful example by Anthony.

In History, we have begun our new topic of The Stone Age. We have looked at some examples of cave paintings and have thought carefully about what we can learn about this period in history from them. The children have really impressed us with their knowledge of this topic already. Here is some great work by Mia..
