'Let us not love with words or speech but with actions and in truth.' 1 John 3:18

What a Half Term! January can sometimes bring challenges with bad weather and illness but this has been an extraordinary term for many reasons!

I would like to congratulate our school community on the way they have adapted, persevered, tackled challenges and learnt new skills. Parents, staff and pupils have worked brilliantly together to ensure that our children continue to learn - whether in school or at home. As a school we have really appreciated the support, gratitude and feedback from parents, the hard work, positivity and perseverance from the children and the care and support that the staff have given the children to ensure that they are able to continue to achieve. Thank you everyone.

I wish you all a very restful Half Term and hope that when we return on Monday 22nd February, we will hopefully be a little more informed in regards to a return to some normality at school.

For the first few weeks after half term, remote learning and in-school provision will continue as it has this half term - with only children of critical workers and other invited children attending in-school provision. As soon as we have any firm information regarding changes to provision, we will of course let you know as soon as possible.

HAVE A LOVELY HALF TERM BREAK!
