

## Freeman's Endowed Church of England Junior Academy Newsletter

'Let us not love with words or speech but with actions and in truth.' 1 John 3:18

### Welcome Back!

I hope you have all had a restful, enjoyable half term! We are delighted with the news that all of our children will be returning to school from March 8th... it seems such a long time since our school was filled with all of our pupils and, although we have seen some of them on Zoom, it will be lovely to see them again in person.

The specific organisational details will be included in a letter outlining the arrangements for each year group. Please ensure that you take the time to read through the information so that you are clear about the day-to-day arrangements for your child.

We are still very much committed to ensuring that we protect the health and safety of our whole school community, so many of the arrangements that were in place from September will be in place from March 8th - year group bubbles, staggered start and finish times, social distancing, etc. Once you have read the information that will be sent out to you, please do not hesitate to contact the school office or your child's teacher if you have any further questions.

After school clubs will also be starting again from March 8th - R&D coaching will be sending out information soon!

## Our Values Champions this week are...

Year 3:	<b>Dahl Class:</b> Shiv	<b>Donaldson Class:</b> Harry B
Year 4:	<b>Kerr Class:</b> Romeo	<b>Zephaniah Class:</b> Imogen
Year 5:	<b>Rowling Class:</b> Nicole	<b>Horowitz Class:</b> Jakub

Our Class of the Week with the highest number of Dojo points is... **Rowling** with 680 Dojo points!

Our House of the Week with the highest number of Dojo points: **Steelbacks!**

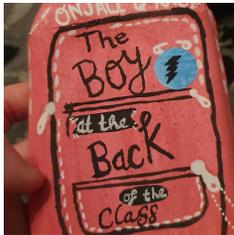

WORLD  
**BOOK  
DAY**  
4 MARCH 2021

## World Book Day

This year, World Book Day is going to be a little different, but we are still excited to share that we will be holding a competition based on your very favourite book or books for the chance of winning a book- related prize!

### Keep hold of your egg boxes!

Create a character, item or scene that is linked to your favourite book out of an egg box. Be as creative as you can! When you have completed it, take a photograph and send it to your teacher by **Thursday 4th March**.

## World Book Day Vouchers

Thursday 4th March is World Book Day. World Book Day changes lives through a love of books and shared reading. It offers every child and young person the chance to have a book of their own. World Book Day is an opportunity for everyone to celebrate the joy of reading. Visit [worldbookday.com](http://worldbookday.com) for brilliant ideas and resources for reading together at home.

This year the children will receive a digital £1.00 book token sent via email. These can be used in the same way as the paper copies. Please see the instructions that come with the voucher, to redeem them.

## Science Week

British  
Science  
Week  
2021

Next week, Freeman's are celebrating British Science Week! There will be lots of fun, scientific themed activities for the children to do either at home or in school. For more information and activities please have a look at the British Science Week website at

<https://www.britishtimeeweek.org/> There are lots of activities and some interesting information about inspirational scientists

## Wellbeing

When all children return to school on 8th March we have some lovely activities planned to support the children's transition back to full reopening of school. Mrs Riccioni will be working across the school in the first week back to support individual pupils and to work with whole classes.

With that in mind we would love it if each pupil could go out and find a good sized pebble or stone that they can paint when they come in; ideally 10cm x 5cm approximately. Please could children bring them in on Monday 8th March.

If you do have any wellbeing concerns for your child please contact [joanne.taylor@freemansendowed.org](mailto:joanne.taylor@freemansendowed.org) so that we can arrange for your child to have some wellbeing sessions with the team.

## Sensory Garden

It would be great if any parents/carers could send in seeds, pots or plant cuttings for our Sensory Garden, now that the weather is getting warmer. The children will be helping to get the garden ready and plant seeds over the coming weeks.
