Welcome back to school for the start of our Summer Term - we hope that you all had a wonderful holiday and managed to spend some quality time with your family. It has been lovely to hear about what the children have been doing over the Easter holiday.

We are so proud of the way that the children have returned back into school for the Summer Term - they have been working really hard in class and trying hard to remember and show our school values in their behaviour towards others.

## School Clubs

It has been fantastic to see so many children enjoying the afterschool clubs provided by R&D Coaching this week. If your child would like to attend any of the R&D clubs, please do contact R&D on [rdcoaching@yahoo.co.uk](mailto:rdcoaching@yahoo.co.uk) to check the availability of places.

Over the next few weeks school staff will be providing some extra-curricular clubs including Art Club (Year 3), Outdoor Club (Year 4), Cookery Club (Year 5), Chess Club (Year 6), and Running Club (all year groups). **Please see the attached letter for further details.**

**Tennis Coaching** This term we are really pleased to welcome tennis coaches from Tennis4All into school - they will be working with each year group for 3 weeks each, providing specialist tennis coaching and lots of fun!

## Great Work - Year 6

In Year 6 Science, children have been enquiring how light travels using torches, pipes and a light filter in their first lesson of their new unit 'Light'. Here is a great example by Phoebe.
